

Bell

Frasch was founded on the belief that creating healthy and beautiful office environments leads to happier and highly motivated workforce.

Bell

An Unexpected Acoustical Lighting Solution

Bell is a modern, acoustical overhead light designed from beautiful Fella sound absorbing material. Sure to start a conversation, this light fixture will also help keep the noise down with its natural sound dampening properties. Bell is perfect for the office, lounge, lobby or anywhere else you want to use acoustics in an unexpected way.
